CARBIDE HEAD

SpeedXtreme

**5X**  
LIFE  
in concrete  
with rebar

### 100% FULL-HEAD CARBIDE

Delivers 5X life in concrete with rebar and longer life in all masonry drilling

### DIFFUSION-BONDING TECHNOLOGY

High-heat, high pressure solid-state welding process bonds carbide and steel at a molecular level for a stronger bond

### 4-CUTTER BIT TIP

Provides 180° cutting diameter for increased drilling speed

### ACTIVE CENTERING TIP

Provides rounder holes for precision-anchoring applications

### FOUR-FLUTE DESIGN

Aggressively pulls dust from the work

### USER SCENARIOS

"I'm breaking bits the first time I hit rebar."  
"I need a concrete bit that lasts."

### BOSCH VALUE

- 5X life in concrete with rebar
- Bosch-made carbide
- Only 100% carbide head bit available in retail channels
